The dam of TS 201010 is TS2758 - she is a full sister to the Reserve Champion ewe from 2009 - the big slick shorn ewe Sue had at NAILE in 2009. On the other side of his pedigree, straight from our show string, his dam is out of a Lawter ram and a Dodds ewe and is one of my best producers. He is proven and his lambs are growthy, straight-lined and very promising. Like him, they have excellent Cheviot breed type with jet black noses and awesome hair coats.
