Born: 1-11-13 TW

Sire: Eaton TJA 11011 7003U

Dam: Stevens 65 TW 10742 J

This ewe is a full sister to the yearling ram that we sold at the Ohio Showcase last year. He was the highest selling ram there and went on to be Reserve Champion Cheviot Ram at the Ohio State Fair. We expect the same great future for this ewe. Her sire was shown at four shows in 2012, and was overall Supreme at all of them, including the North East Youth Sheep Show. Eaton TJA 11011 is sired by "Super Freaky" and an Eldridge ewe. Her dam is our very best brood ewe. I have thought hard about selling this girl, but we wanted to bring a good one for our first National Sale consignment. This ewe is good headed, dark in her points, structurally correct, very extended up through the front end, and extremely flashy! Check out photos of her on our website.

Lot 22 - February Ram Lamb**Sunny Slope 1403**

Born: 2-4-14 TW

Sire: Misty Acres 1237 RR 7710 U

Dam: J Woods 1790 TW 11439J

We are very impressed with the quality of the lambs we have gotten this year out of our new Misty Acres ram, "Meeko." This ram lamb is our top pick out of our early lamb group. We think his pedigree speaks volumes about his future. Meeko is sired by Eaton TJA 10047 "Winsorr." He was the Champion Ram and best-headed ram at the Ohio State Fair in 2011. His dam is Woods 1666 "Pure Gold." She was the National Champion Ewe sold by Dusty Rincker at the National Sale in 2010. She is a full sister to "Hummer." We purchased Woods 1790 from the National Sale in 2012. Her sire was Eldridge 996 "New Design" and she is a Woods 1435 "Bumblebee" grand-daughter. Check him out on our website.

The cold must have gotten to us this winter because we are pulling out this ewe from our keeper pen. We don't plan to show much and she's too good to sit at home this fall. She's one of our top two Yearlings on the farm. She's a big made ewe with a lot of style and length of neck with a big hip. We did the same things at last year's sale with much success so I figured we would try it again. The dam is sired by Super Freak. 8033's mother is also the mother of 6031 in our yearling ram entry. Welcome to the 1st Annual Montadale Classic Show and Sale. While this is the first Montadale Classic, it certainly isn't the first time Montadales have enjoyed the opportunity to be a featured breed at the summer sheep sales at Springfield. Montadales had a long history in Springfield and it is our hope to renew that history and popularity. The offering at this first Montadale Classic is outstanding and presents an excellent opportunity for folks to obtain some of the best in the breed. These animals will be evaluated and placed on Friday at the sale show by Brad Angus of Ottawa, IL.

If you can't make it to the sale, don't miss-out on this great opportunity. Please use our phone-in bid service. Contact Chuck Ross (217-473-7793) or Todd Benjamin (630-330-1069) before 12:00 noon on sale day. The Auctioneer on Saturday will be Luke Benjamin of Wilmington, IL (708-738-3895).

Welcome to the 56th National Oxford Show and Sale. We sincerely believe that you are in for a treat, as the Nation's top Oxford Breeders present some of the best Oxford sheep in the country for your appraisal and selection. The judge for our show will be Evan Snyder of Atglen, PA.

Following the National Show on Friday, The Annual Meeting of the American Oxford Sheep Association (AOSA) will be held at approximately 6:30 PM at the Knight of Columbus Hall in Springfield, IL. The Annual Meeting will include a catered meal, the business meeting of the Association, and an auction of donated items that will benefit the Association's contribution to the All-American Junior Show.

Donations for the auction are gladly being accepted now and will continue to be accepted up until the benefit auction. Reservations for the Annual Meeting and dinner can be made by contacting David Trotter, Secretary (812-256-3478 / 812-987-5139 / secretary@americanoxfords.org).

In the National Oxford Sale on Saturday, ewe lambs marked with and "F" above their lot number will indicate that they have been nominated by their breeder for the Association's Futurity program. This is a good indication that these breeders think that these ewe lambs are the "cream of their crop" and should perform well in the show ring and should make excellent additions to anyone's flock, especially our junior members.

If you are unable to attend the National Oxford Sale but wish to bid on animals, we do offer a mail-bid service. Please contact one of the following to make your bidding intentions: Duane Grimme (4141 Bantas Creek Rd., Alexandria, OH 45318), Larry Derricks (12 Eisenhower, Jacksonville, IL 62650), Auctioneer Bob Johnson (4128 Hwy. KK, Milton, WI 53563, 608-868-2199), or David Trotter, Secretary and Sale Manager.

We look forward to your participation in the 56th National Oxford Show and Sale and the AOSA Annual Meeting. Here's to meeting old friends and making new connections as the popularity of Oxfords continues to grow. Oxford Sheep – Truly the World's Best

Sincerely,

Duane Grimme

Swore I wouldn't sell rams this year, but ended up with an extra really good one! Two best bucks this spring are twins; one is longer and more extended, but 1423 is stouter hipped and bigger boned! We'll retain the other to breed with! Stacked pedigree on bottom; "Quiet Riot" x DOA "Main Event" x the biggest Harris ewe I owned! All who've visited, certainly love this pair!

"Blood Money" was champion ram at the Ohio State Fair and serviced about 75% of our ewes last fall, he then sired a tremendous set of lambs! 1202 is a straight Harris bred, "Samurai" daughter. We sold her 11 year old grandma this spring as part of our flock reduction!

Dam was our lead show fall ewe lamb last year and one of the last daughters of "Quiet Riot". Grandma won the fall ewe lamb class at Louisville in 2010! I think this lamb is one of the more elite ewe lambs we raised this spring! She's AWESOME!

Harris 0726 is a maternal sister to "Samurai" as well as a slew of great females for us! This line has excelled at producing rams for Crome, Harris, Double "O", and customer's. 1444 has maternal sisters in the Van Roekel flock! Super history with this line and making it more attractive is the deceased, "WaRR Paint"! We have 500+ units of semen froze on "WaRR Paint", so obviously we are HIGH on him!

This ram is out of the last set of lambs born last year out of a 9 year old ewe that was National Champion Ewe in 1995. He is light in color and very stylish and flashy. He will be barely a year old the date of the sale and considering last summer's heat, he has done pretty well. He has tremendous breeding potential and puts some excellent pieces together. We are cutting our ewe flock in half and offering ½ the brood ewe flock and retaining only a handful of yearling ewes and ewe lambs. As Shelley is working full time away from home and I am teaching at the college level, I just need to lighten my work load and the size of our flock. Shelley will not be at the sale, as she will be in Florida with Holly and Brock for the birth of our fifth grandchild.

I hope I can manage to get pictures and pedigrees up on our web site a week before the National Sale. Check it out at www.doubleoacres.com or give me a call.
