Born: 2-21-09

Sire: TJA 7021 4945U

Dam: TJA 7035 7136J

This guy won't be the tallest ram there but he also won't be a fat little toad. He is complete, super deep from flank to flank and very heavily muscled while keeping style and balance. For everyone who keeps saying we need more rib and muscle in the Cheviot breed, this ram is for you. It's not easy to get rib and muscle and keep them pretty, but he is. He is sired by "Super Freaky." "Super Freaky" is out of "Super Freak" and his dam is the twin to our 2006 National Sale Champion and record selling ewe who was also champion at NAILE. "Super Freaky's" full sister was champion ewe at the 2009 California State Fair.

TJA 7035 is sired by Wilt 527 who was the reserve champion ram at the 2005 NAILE and best headed ram. She is dammed by one of our top producing Lawter ewes who was "Super Freaks" mother. She is sired by "Super Ram". RR at codon 171.

Born: 3-10-09

Sire: TJA 7021 4945U

Dam: Dogwood Acres 111 9748I

Here is a nice young yearling ewe with a lot of style and a nice head. She is very long necked and correct. She is sired by "Super Freaky". Her dam is sired by a "Sparkey" son. Remember "Sparkey", he was the champion ram at the 1998 NAILE and 1999 national sale. QR at codon 171.

**46- Yearling Ewe****TJA 8108 9390J**

Born: 9-14-08

She was in our show flock last year. She was the class winning fall ewe lamb at the Indiana State Fair and at the Big E. She placed 2nd at Ohio. She's a brood ewe first, but will also make a nice show ewe. She's got good size, but also has tremendous rib shape and muscle. Easy fleshing. She is sired by "Super Freaky". Her dam is sired by "Super Ram" and a Berry ewe. She will make a nice addition to any flock. QR at codon 171.

**47- Yearling Ewe****Information sale day**

Check out the birth date, he's a young intermediate ram. At catalog time, he was one of my best. He won't be the biggest sale time due to his age, but he's bred to be big and he'll get there. He's very thick and heavy muscled. He won't be a big tube. The sire is an AGGI ram we leased. The dam, TJA 8013 was the extreme made big hipped slick shorn ewe we showed last year at Ohio and Indiana. 8013 is a Super Freak daughter and her dam was the reserve champion ewe at the 2006 Ohio State Fair who was sired by the Kuykendall ram who was the reserve champion ram at the 2004 national sale. Codon test pending - will be QR or RR.

**49- Junior Ram Lamb****TJA 10023**

Born: 2-16-10

Sire: TJA 8040 5525U

Dam: TJA 7064 7147J

Great pedigree here. This ram is very correct and extremely stylish. He stuck out from day 1. The sire of this entry is our other "Super Freak" son who is out of our oldest Lawter ewe by a High Head son and a Super Ram ewe. Yes, "Super Freaky" has a half brother. The dam of this entry has an even more impressive pedigree as she is sired by "Super Freaky" and her dam was the first place late spring ewe lamb at the 2006 National show at KILE and in 2007, she was the champion Cheviot ewe at the Indiana State Fair Junior Show. She is out of the Wilt ewe that was the champion ewe at the 2004 NAILE and our Kuykendall ram that was reserve champion and best headed ram at the 2004 national sale.
