Please contact the ACSS office at 785-458-9174 if you are interested in running for one of these board positions.

We will have a silent auction to raise funds for the Cheviot Junior fund during the National show so if you would like to provide items for this event, please bring them to Springfield with you or mail them to me if you are unable to attend. The auction will be set up during the National show on Friday morning at 9:00 AM. Please refer to the enclosed sale catalog for further information on the show and sale.

We have a strong group of sheep consigned to this year's sale. We are joined by the Oxfords, Tunis, Romneys and Suffolks.

I look forward to seeing many of you in Springfield for the Cheviot show, annual meeting, and sale.

Sincerely,

Jeff Ebert

Lot 2- Fitted Yearling Ewe

Lot 3- Slick-Shorn Yearling Ewe

It's been several years since we
consigned to the National Show &
Sale. We kept 10 ewe lambs back.
As Mark says they are "All peas in a
pod" Will have a few sheep friends
pass through here the next couple of
weeks, and we will let them decide
which ones will make the trip to
Springfield. Both entries will be RR.
Sired by the Spilde ram or the Moore
ram we call JJ. Guarantee these 2
yearlings will not be the biggest ones
at the sale. However, they will have
great breed type. They will look like
Border Cheviots, black nose, short
ears and hair on their head and ears.
We simply need to cut down on
numbers. They will be great
additions to your Cheviot flock.

Lot 7- Yearling Ewe

Diamond C 0732 21714J

Born: 2/17/24
Sire: Misty Acres 1451 10177U
Dam: Diamond C 0440 18767J
Junior Champion Ewe NAILE Open Show 2024 and Reserve Champion Ewe NAILE Junior Show 2024. We probably shouldn't sell this one but sometimes you have to let the good ones go. Her first show ring appearance was at NAILE mainly because she took a little longer to bloom than her penmates... but man she did not disappoint! We think she still has tons of growth and youthfulness to her but enough substance to make a good momma. This one will make a great show yearling and a pedigree like hers will make some good ones for years to come!

Lot 8- Yearling Ewe

Black Acre Purple 53

Born: 1/28/24
Sire: Martin 761-09291 8791U
Dam: Diamond C 0368 18770J
Keep your eye on our Facebook page, this one took a great photo and we think she is going to make a solid addition to anyone's flock! Martin 761-09291 "Marty" has sired countless of our show and keeper sheep! He is getting up there in age and not breeding ewes anymore... this could be the last opportunity to get your hands on a "Marty" daughter. If you look closely at her pedigree, she's a COBRA granddaughter on the dam side!

Lot 9- Fall Ewe Lamb

Diamond C 0740

Born: 10/12/24
Sire: Black Acre 21-03 10513U

This one's momma only had the chance to lamb once... and here she is! We only had 4 fall ewe lambs and we were hesitant to offer any of them

for sale! Don't overlook this cool cat! Her dad was Reserve Champion Ram in the Junior Show at NAILE.

They're very correct, heavy muscled with lots of length. Sire was Reserve Champion Ram 2019 NAILE and dam was Champion Ewe 2019 NAILE. Breezeview 3800

Sire: Breezeview 3803 11199U RR
Dam: Breezeview 3735 19230J
Here is a really flashy fronted neatly built ewe lamb that has "show ewe" written all over her! Her sire has quite the rap sheet! Breezeview 3803 was the Champion ram at the NAILE in 2023 as a lamb and then was Champion ram last year at the National Sale in 2024 as a yearling! We bred a few ewes to him before he departed for Illinois and had great results! This ewe lambs mother is the ewe we call "Rose" Breezeview 3735. She is sired by the Ahart ram that did such a good job for us and goes back to the ole Moenter ewe that was a factory for making great sheep! We have kept every female out of "Rose" and decided to share this time! Don't miss out on this exciting show and stud ewe prospect!

Lot 18- Yearling Ram

Black Acre Spearmint 569 AI 11347U

Born: 2/8/24

Sire: JR 9918U

Dam: BarnTalk Livestock 3823 18709J

Sired by "JR", Judy Moore's Reserve National Champion Ram at Louisville and dammed by BarnTalk Livestock 3823, the Grand Champion Ewe at the Indiana State Fair Junior Show in 2018. This ram's dam is a consistent producer who raises a show animal every year. I've always believed that a stud ram should be from a female line that produces consistently every year. This ram has that quality. He is up-headed, straight topped, long, and on a good set of feet and legs. He combines a beautiful phenotype with a tremendous genetic pedigree.

Lot 19- Yearling Ewe

Black Acre 359

Born: 9/17/23 TW

Sire: Danny Boy 9693U

Dam: Rincker 2281 17064J

Sired by "Danny Boy" the Spilde "White Cap" son, who has done a great job in our flock over the years. Rincker 2281 is the mother of "38 Special" Grand Champion Ram at the 2020 Indiana State Fair and now standing at stud for Brooke Mazepink's, Snowcap Cheviots. This yearling ewe is a full sister to "38 Special" and is a high-capacity ewe destined to be brood ewe. Rincker 2281 produces a show or sale lamb every year. This yearling is good headed, deep ribbed, high capacity and extremely thick topped and was artificially inseminated on May 2nd, to Crown Royal, the 2019 National Grand Champion Ram at Louisville.

Lot 20- Yearling Ewe

Black Acre 174

Born: 3/4/24 TW

Sire: Black Acre Blue 175 10689U

Dam: Rincker 2470 19272J

Black Acre 175 ET was sired by "JR"

and dammed by the mother of "Big D", Dusty Ricker's homebred stud ram used extensively in his flock. He was Grand Champion Ram at the 2022 Wisconsin State Fair. We have used him to clean up the last couple of years but looking at his lambs on the ground probably should use him more frequently than I have. Rincker 2470 was a pretty ewe lamb I bought from Dusty when she was one month old and has done a great job in our flock. Unfortunately, we lost her this spring so this will be the last of her direct line. She is very well balanced, upstanding and long.

Lot 21- Yearling Ewe

Black Acre 197

Born: 3/5/24 TW

Sire: Black Acre Blue 175 10689U

Dam: DeVries 2-21 20499J

Sired by "Midnight", a ram we own jointly with Spilde cheviots. Her dam is the high selling Devries ewe purchase in their online sale in 2021. She has a lot of growth left in her and should continue to mature throughout the summer. Take a look at her. I think you will like her.

Lot 22- Fall Ram Lamb

Black Acre Gold 048 AI

Born: 9/2/24

Sire: Goldstrike 11064U

Dam: Diamond C 0506 19599J

Clyde 506 was one of the popular ewes the Clyde's brought to the National Sale in 2022 who has done a good job producing in our flock. Sired by "Goldstrike".

Black Acre 124 AI

Born: 9/2/24

Sire: Crown Royal 9648U

Dam: Nohner 0546 (Dylan) 19865J

We bought Dylan Nohner's daughter's Cheviots last year. This is a "Crown Royal" sired ewe from the daughter of ewe that produced her \$1600 ewe lamb in the online sale two years ago and was sired by the ram who sired the 2021 National Champion Ram raised by Dylan. Futurity nominated.

Lot 24- Fall Ewe Lamb

Black Acre 128 AI

Born: 9/3/24

Sire: Crown Royal 9648U

Dam: Rincker 2281 17064J

Born: 1/16/24 TW

Sire: Brooke's 1802 "Crown Royal" 9648U

Dam: Kuykendall 1162 19795J

Here is the 1st Intermediate ram lamb at Louisville last fall. We call him "LANDMAN" and a buck we feel is a true stud buck. We are only offering

half-interest in this ram. The winning buyer will get full possession the first year and will rotate possession the following year. The one exception is we will we keep show rights to the buck for Louisville 2025. "LANDMAN" is a double bred Crown. His dam is one of our best brood ewes that we purchased from the Kuykendall's couple years ago. If you're looking for a ram with height, deep of body and rib shape look in here. He is the tallest ram we have ever raised. At time of entry's, we are using him to bred 10 ewes for fall lambs. All the people that have stopped by this spring have been impressed with this ram.

Lot 37- Yearling Ewe

Rincker 2737 AI 21842J

Born: 2/17/24 TW

Sire: Brooke's 1802 "Crown Royal" 9648U

Dam: Eldridge 8135 15847J

We have never sold a ewe out of the Eldridge 8135 ewe but we felt it was time to let one go. Eldridge 8135 is now in Danny Strahl's flush program. 2737 was in our show string last year and did very well. Her maternal sister was our leading ewe last year. That ewe was champion at several show including the National Jr Show last fall in Louisville. I love this ewe's breed type, balance, width of base and her hip structure. One of the better ewes we have sold in recent years.

Lot 38- Yearling Ewe

Rincker 2762

Born: 4/2/24

Sire: Rincker/Strahl 2557 "Iceman" 10596U

Dam: Black Acre 21-36 19907J

Very young ewe for this sale. April born yearling ewe that comes from a really good ewe from Kuykendall's. The first couple of Kuykendall's ewes we got worked so well we went back last summer and bought four more. I know I sound like a broken record but this ewe has a tremendous hip and tail set. If anybody knows me, they know I won't sacrifice hips and tail sets on my sheep. 2762 better days are down the road .

National Oxford Sale

Welcome to the 2025 National Oxford Show and Sale. A reminder to all Oxford folks that on Friday evening, June 6th, the Annual Meeting of the American Oxford Sheep Association (AOSA) will be held in Sale Barn 26 on the IL State Fairgrounds. We plan to start off with the banquet at about 6:30 PM (depending on the show schedule earlier that day). As we have for the past few years, the Cheviot breeders will also be joining us for the banquet as will any other folks who would like to enjoy a great meal and good fellowship. Banquet seating is optional to attend the Annual Meeting however, we will limit the number of banquet tickets we sell so please call or email the AOSA Office at least 2 weeks ahead with your banquet ticket request (\$10 for kids 10 years old and younger, \$15 for everyone else). We need numbers now and you can pay for your tickets ordered at Springfield. Also, we have made arrangements for a block of hotel rooms at a special rate at the Ramada Springfield North (3281 Northfield Drive, Springfield, IL). The rate is \$119/night plus taxes and the block of rooms will be held until May 7; call 217-523-4000 to make reservations; be sure to mention "American Oxford Sheep" to get the special rate.

With regards to the sale on Saturday, June 7, we will once again be providing on-line viewing and bidding via the Breeders World platform. So, if you can't make it to Springfield, please join us on-line. On-line buyers will need to make transportation and pick-up arrangements with the consignor or someone else at the sale. If you would like to make a mail bid, you can do so by contacting the following: David Trotter (812-987-5139), Steve Majchrzak (302-388-9198), or any AOSA Board Member.

We are looking forward to seeing you at the 2025 National Oxford Show and Sale.

Though more compact in structure, she has a lot of shape and style... and a good bit of black fuzz on her legs. She maintains femininity while bringing lots of bone and muscularity.

Owner Comments: Count on Krafka Harkema ewes to work for you, like they did for Jim Van Dyke of South Dakota. In her first lambing, the Krafka Harkema yearling ewe he bought from us at The Event National Sale in 2024, produced his top-selling ram in his 2025 online sale in April. Our big bodied ewes descend from generations of good mothers and good milkers that consistently raise 200% lamb crops. They are easy-keepers that have the rib shape, capacity and genetics to carry and raise multiple lambs. They're heavy-muscled, square docked and stylish, too. Check her out.

Hes an RR triplet, out of 'Shelly' one of our stylish show ewes, whos an outstanding dam that raised the trio all on her own. His sire, 'MJ' MacCauley, earned 2022 Reserve Champion Ram honors at the National Suffolk Show in Louisville. 2522's dam, 'Shelly' was a standout show ewe for us, and now shes a standout in the flock consistently producing showy, heavy-muscled offspring. Check him out and put this exceptional ram lamb to work in your flock.

His offspring looks just like him- stout, big hiped, square docked, wide-based, clean fronted, super rib shape plus breed character. He hails from champion genetics with two of our Iowa State Fair slick-shorn champion studs, 'Luka' and 'Slick Champ' plus 'LT' who sired last year's popular yearling ram at The Event, the 2024 champion slick-shorn Suffolk ram at the Wisconsin State Fair for Colton Riggs, and our champion slick-shorn ram lamb and yearling ram at the 2024 Iowa State Fair. 2409's the real deal. Owner Comments: This ewe is bred for power, power, and more power. Shes really good in her front third and gets even better from behind. Shes a more moderate ewe that we think can be bred either to more power or take her to a bigger ram and still have plenty of power and athleticism to make cool show ewes. Slack on the top and Titus on the bottom screams a future stud ewe. This ewes value is good as a show ewe but will be fully appreciated in a lambing jug!

Owner Comments: This is the combination ewe of our set. Shes super feminine in her front third with a long neck that sits perfect in her blade. Her chest floor is right and leads to a great underline. She is upfronted and athletic. Where I think this ewe excels is when you get over the top of her. She handles really well across her top and comes back to a big hip. Shes the bigger bodied ewe with plenty of mass to go with it. Her sire is Howe Farms 2317 breeding in Pennsylvania as we speak. Mom is a Slack 8451 daughter we fell in love with at Toms when we started. 8451 had the biggest rack we had ever seen before in a Suffolk so we bought her and she has two daughters in our flock.

He's long necked and long bodied - and particularly want to call out his length of hip. Along with that he has a nice head with great color. Owner Comments: I'll confidently say there wont be a bigger bodied ewe in the fall ewe lamb class, this female is an absolute BEAST - and so is her mother. The dam is a daughter of Ahart 0182 who is back at MacCauley's and doing a nice job for them. Momma is full of muscle (and milk). Sire is Wm Clark, Season's Bounty 23189 that Miles, Heather, and Pasch Gibbs purchased in last years Season's Bounty production sale. He's sired by Tuba and is an interesting mix of Batt, BYU, Andrus, and the ever intriguing URF prefixes on the top side of his pedigree along with a pile of Bob Kimm on the bottom side. Come find her in the pens or lets talk about her before hand. Shes going to look different than anything I've taken to town before, and I'm pretty sure she'll look different than any other Suffolk ewe at the sale. Huge rib cage, big backed, long necked, and level designed. She's a full fledged burly girl, and I love her for it.
