

Quarterly Newsletter May 2012

Junior Members and Cheviot Breeders,

I hope that everyone has been having a great spring, and had a successful lambing season. Here on the east coast it has been very warm lately, and beautiful weather for the start of the show season. We are quickly approaching the National Show and Sale, and many people are getting ready for the Big Ohio weekend as I speak. I am very excited to be one of the advisors for the junior association. A big thank you goes out to Holliday Thomas for all her work in creating this association. There are a few things that I wanted to address. First, please note that I am going to be producing a newsletter quarterly throughout the year. Juniors, as well as adult breeders are welcome to subscribe to it. It will be available via email and snail mail. It will be focused towards the junior association, but adult members are welcome to subscribe in order to keep up with our groups happenings. If you would like to receive it please either email me at ashleyjanelle@comcast.net, or call me at 301-712-5199. You can be added to either, or both lists. Next, I need all juniors to submit their applications and fees as soon as possible. Applications can be found in the journal, or on the ACSS website. We will be creating an email list serve for the junior association to keep in contact with each other better. We have currently started selling calendars for our fundraiser this year, so be sure to advertise those to breeders in your area. More information can be found at www.cheviots.org or in the new 2012 journal. Funds will support our junior association. Thank you to Chuck and Denise Orr for you help with those. Finally, if anyone has any fundraising or activity ideas for the junior association please let me know. We are looking for new and creative ideas to get more of our youth with Cheviots involved. I look forward to seeing many of you in Springfield, and throughout the show season. As always please don't hesitate to contact me with any questions or suggestions.
