Lot 7- Yearling Ram Black Acre Blue 11 11119U

Born: 3/14/23
Sire: Split Ear 10522U
Dam: Spilde 4244 TW 16724J
This ram was in our show flock last
year. He is a twin to our 1st place
sheared ram lamb at the North
American Livestock exposition last
year. "Split Ear" is sired by "Junior",
Judy Moore's Reserve Champion
Ram at the 2019 National Show and
dammed by Barn Talk 3823,
Champion Ewe at the 2018 Indiana
State Fair. I sold "Split Ear" to
Sarah Powell last spring. Here is their
evaluation of "Split Ear": "I would just
like to thank you for letting us have
the Split Ear ram. I have already seen
a tremendous change in all of my
lambs. They are two times larger than
they were before and their loin is
five times bigger than it was before. I
generally thank you so much for
letting us have this opportunity to
have the ram. I appreciate it so much.
Can't wait to start working with them
and getting them show ready!"

Blue 11's mother is a good producing
Spilde ewe I bought in 2018 from
their production sale. He is a large,
heavy boned ram that is well
balanced and good on his feet and
legs. Since I'm sounding like Steve
George, the rest of my comments will
be shorter to reduce printing costs
for the catalog since I used up so
much space describing this ram!

**Lot 8- Yearling Ewe
Black Acre Purple 53**

Born: 3/8/23

Sire: Crown Royal

Dam: Rincker 2282 17065

Dam: Kuykendahl 1155 19790J

Sired by "Junior" and dammed by Kuykendahl 1156, a "Crown Royal" daughter I purchased in their first offering "Crown Royal" lambs. I probably should be keeping this ewe given her genetic potential but am offering her to allow others to enjoy what these sheep can produce. Bred to "Crown Royal" on April 9th.

**Lot 10- Yearling Ewe
Black Acre Gold 44 20968J**

Born: 2/3/23

She has been a consistent producer and is the grandmother of "Yellowstone", our ram that was Champion for Katelyn Von Behrens at the National Junior Show in Louisville. This yearling is good headed, deep ribbed, high capacity and extremely thick topped

with lots of muscle. She was bred to "Crown Royal" on April 9th.

Sire: Misty Acres 1451 'Boaz' 10177U

Dam: DC0386 'Gigi' 17658J

We only kept one ram from last years crop and decided he was good enough to be our yearling ram entry for the national sale! Out of our 2019 National Champion Ewe "Giqi" and the only ram we have ever offered out of her!

**Lot 16- January Ram Lamb
DC0637**

Born: 1/16/24 S

Sire: Martin 761-09291 'Marty' 8791U

Dam: DC0570

We were ewe heavy this year, so we had to take a hard look at the rams we had and make some tough decisions. We think you will like this one, adequate bone, good breed type, heavy muscled. The product of a good breeding, and he shows it!

**Lot 17- Yearling Ewe
DC0650 21140J**

Born: 2/8/23 TW

Martin 761-09291 'Marty' 8791U

Dam: DC0396 19590J

This ewe leads our entries because we think she deserves it! A yearling that stands tall and flashy all wrapped up in a big, bodied package. Her mother's side is littered with LO-KE ewes, which is what the majority of our flock was built on. On her dad's side is a ram that has produced countless keeper ewes for us including our 2019 Supreme Champion ewe at NAILE Junior Show and 2023 Supreme Champion Ewe in the KILE Junior Show.

**Lot 18- Yearling Ewe
DC654**

Born: 2/19/23 TW

Don't skip out on this one, a ewe lamb from this ewe has NEVER been offered for sale before!! This ewe lamb could be used as a show or breeding piece, we think she's got that kind of versatility. A lamb that is already big bodied and growthy... just like her momma. "Gigi" is one of the best sheep we ever raised, that is until she had a daughter and then that became the best sheeo we have ever raised. Make sure you stop in and take a look at this one.

Lot 20- January Ewe Lamb

DC0730**

Born: 2/15/24 TW

Sire: Misty Acres 1451 'Boaz' 10177U

Dam: DC0542 19846J

We would like to bring your attention to the breeding on this one. Starting with the Dam side: she goes back to DCO252, which has produced a show ewe every year since 2020, and on three different rams... that shows us she has dominant breeding. This ewe was born on our farm and will die on our farm, she is that reliable, "Boaz" was the sire to many of our winning show ewes including our NAILE Champion Ewe "Guinevere." This February ewe lamb has a stacked bloodline, one that mimics the majority of our program.

**Lot 22- March Ewe Lamb
DC0738**

Born: 3/26/24 TW

Sire: Misty Acres 1451 'Boaz' 10177U

Dam: DC0502 20888J

We only had 4 march ewe lambs this year, so here we are again making some tough decisions! We would keep all 4 of them if we had the space! Super excited to see how this one grows out, "Boaz" has put some great qualities into our flock and we are confident you will see them as this one matures.

National Oxford Sale

Welcome to the 2024 National Oxford Show and Sale. A reminder to all Oxford folks that on Friday evening, June 7, the Annual Meeting of the American Oxford Sheep Association will be held in Sale Barn 26 on the IL State Fairgrounds. We plan to start off with the banquet at about 6:30 PM (depending on the show schedule earlier that day). As we have for the past few years, the Cheviot breeders will also be joining us for the banquet as will any other folks who would like to enjoy a great meal and good fellowship. Banquet seating is optional to attend the Annual Meeting however, we will limit the number of banquet tickets we sell so please call or email the AOSA Office at least 2 weeks ahead with your banquet ticket request (\$10 for kids 10 years old and younger, \$15 for everyone else). Also, we have made arrangements for a block of hotel rooms at a special rate at the Ramada Springfield North (3281 Northfield Drive, Springfield, IL). The rate is \$105.00/night plus taxes and the block will be held until May 4; call 217-523-4000 to make reservations and mention "American Sheep Sale" to get the special rate.

With regards to the sale on Saturday, June 8, we will once again be providing on-line viewing and bidding via the Breeders World platform. So, if you can't make it to Springfield, please join us on-line. On-line buyers will need to make transportation and pick-up arrangements with the consignor or someone else at the sale. If you would like to make a mail bid, you can do so by contacting the following: David Trotter (812-987-5139), Darwin Hall (815-757-7447) or Steve Majchrzak (302-388-9198).

We are looking forward to seeing you at the 2024 National Oxford Show and Sale.

We used him sparingly for clean up last fall, and he sired an impressive group of February lambs with lots of eye appeal. His dam was in our NAILE line-up in 2006 and stood 6th. Whether youre looking for production performance or showing style, we think BigBoy fills the bill. For NSIP members, his dam's ID is 690119-2016-166004, Carcase+ 124.68
